**Annual Quality Assurance Report (AQAR) of the IQAC
DDU Gorakhpur University, Gorakhpur - 273009
Year of Report: 2013-2014**

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (*Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013*)

Trees in the campus have been numbered for protection, Joggers Park maintained with green plantation, Botanical garden in the university is well maintained.

7.5 Whether environmental audit was conducted? Yes No

Planted trees were classified and numbered. (Self audit)

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths:

- It is a fifty Eight year old institution providing higher education to students through its own residential campus and more than four hundred affiliated colleges, to the people of North Eastern region of Uttar Pradesh and North West Bihar.
- The University has an infrastructure which has been registering its growth continuously. It has a good track record of academic achievements and culture.
- The present academic faculty available to the university is highly competent.
- 24 Hrs. Power supply, alternative power supply by Generators.
- Application of solar energy for Road Lights in the Campus.

Weaknesses:

- Academic posts are lying vacant.
- Non teaching posts are also lying vacant.
- Increasing pressure for admission to various courses.
- Want of sufficient support of funds from the State Governments.
- Absence of Agriculture faculty in the campus.

Opportunities:

- The University serves to a region which is substantially based an agriculture. Hence, there is a scope of expansion of agriculture education.
It will enhance, if teaching of the agriculture as a subject is commenced in the residential campus, the employability of youth, which, in turn, may result in the development of agro based small scale industry.
- The region is less developed in terms of industries. Expansion of skilled based courses will be desirable in the light of expected growth of business and industry under the Government's ambitious plan implemented through Gorakhpur Industrial Development Authority (GIDA).

Threats:

- Good results are subject to administrative and financial support from the State Government and various agencies providing development grants.

In the light of above analysis, the university wishes to commence various new courses under Self Financing Schemes and start the teaching of agriculture as a subject at U.G. and P.G. level subject to availability of land and faculty.

8. Plans of institution for next year

- Planning for strengthening the computer centre.
- To provide Internet access to hostels.
- Increase the use of ICT to make paper less administration to an extent, it is possible.
- Inspire girls & children towards Science Education by having and making the science museum operative.
- Establish a strong relationship with the industry.
- Establish teaching departments under the faculty of agriculture in the residential campus.
- Have a strong feedback and information system with the use of ICT.
- To make the university Alumni more effective.
- To constitute Parent Teacher Association.
