Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Prior to the onset of the Corona Pandemic, prior to March 2020, the syllabi of the various programs and courses were completed on time through regular traditional class room teaching and practical in laboratories. Examinations too were conducted in the traditional off-line mode. But with the onset of the deadly Pandemic and the consequent national lock down, the University had to rethink its strategy of completing the syllabus so that the students do not suffer academic loss. As a result, the University decided to shift to the on-line mode of imparting quality education in compliance with the directions of the UGC and the state government. On-line education proved to be a boon for the students of the University during the restrictions imposed by the lockdown. Lectures were delivered with the help of virtual platforms like Google Meet, Zoom and You-tube Live by faculty members. Because the online mode was new to students they had to be counseled initially about the processes involved in getting linked to the faculty members through these platforms. But once they understood the process it was easy for them to access the lectures. The online mode of learning proved to be of great advantage to the students especially during the lockdown when physical accessibility was almost absent. Even after the relaxation on the lockdown the University continued with hybrid mode – both online and offline classes- for the benefit of students. The extension of the session also helped in the completion of the syllabus. Many departments and individual faculty members made their own You Tube channels where they uploaded their lectures making them accessible to students.</p> <p>Apart from on-line lectures the University also uploaded hundreds of e-contents in their e-pathsala portal, accessible through the University website. These e-contents consisted of Power point presentations (PPTs) , PDF lecture notes, PDF books and journals, individual articles, audio lectures, video lectures etc. They were immensely helpful in the completion of the syllabi of the University. Many e-contents prepared by the faculty members of the University were uploaded in the state-level e-pathsala portal so that students from other institutions can access quality materials. Even tutorials were conducted by many departments so that the syllabus could be completed in time. The online mode also facilitated conducting of classes beyond the regular University hours.</p> <p>During both the waves of Corona the University was successful in completing the syllabus, thanks to the efforts of the Vice-chancellors, faculty members, technicians and the library staff who were always available for addressing the problems of the students. In order to make the lives of the students and teachers safer even the mode of examination underwent modifications. The University was committed to the timely completion of the syllabus and this was effectively achieved by the combined efforts all stakeholders of the University.</p>
