

"Health, Hygiene and Sanitation for Women"

**Industrial Microbiology, Deen Dayal Upadhyaya Gorakhpur University,
Gorakhpur**

Date: 17th December 2024

On 17 December, Department of Industrial Microbiology organized Essay and Debate on the Topic "Health, Hygiene and Sanitation for Women" under the Flagship Program of [Mission Shakti DDUGU](#) Phase-05.

The overall event focused how, Poor sanitation is a significant barrier to the health, safety, and economic well-being of women.

The students presented their valuable suggestion to overcome such issues.
