Brief Write-up in English	<p>The Department of Psychology organized a special session on “Career in Psychology: Future Prospects” to guide students about emerging opportunities in the field. The session covered various career paths including clinical psychology, counseling, organizational behavior, forensic psychology, and research. Expert speakers highlighted the growing demand for mental health professionals and the importance of specialized training and certifications. Students engaged in interactive discussions and clarified their career-related queries. The session proved to be informative and motivating, offering a clear roadmap for aspiring psychologists.</p>
