Online/Offline Mode	Offline Mode
Brief Write-up in English	The Department of Commerce organized a Workshop on Wealth Creation and Tax Planning for University Teachers to enhance financial literacy and strategic tax management among faculty members. The workshop focused on key areas such as investment planning, savings strategies, income tax provisions, and retirement planning. Expert speakers provided valuable insights into optimizing financial resources and ensuring long-term financial security. The session was interactive and well-received, equipping participants with practical knowledge for effective financial decision-making.
