

Activity Report

Industry, Innovation and Infrastructure – Build resilient infrastructure, promote inclusive and sustainable industrialization, and foster innovation

Name of the Event	National Science Day
Department	Department of Chemistry
Date (or Period)	28/2/2024
Organizer (Name of the University)	Deen Dayal Upadhyaya Gorakhpur University Gorakhpur
Online/Offline Mode	Offline
Brief Write-up in English	<p>The Department of Chemistry celebrated <i>National Science Day</i> with great enthusiasm to commemorate the discovery of the Raman Effect by the eminent Indian physicist Sir C.V. Raman. The event aimed to promote scientific awareness and inspire students to explore the role of science in everyday life and national development. Various activities, such as science exhibitions, model presentations, poster-making competitions, and quizzes were organized, showcasing the creativity and scientific spirit of students. A special lecture on the theme “<i>Science for Sustainable Future</i>” was delivered by emphasizing the importance of chemistry in addressing environmental and societal challenges. The programme also highlighted recent scientific advancements and encouraged students to take an active interest in research and innovation. The event concluded with the distribution of certificates and a vote of thanks. Overall, the celebration was educational, inspiring, and a grand success.</p>
