<b>Brief Write-up in English</b>	<p>The Department of Commerce organized a <b>Smart Phones Distribution</b> program aimed at promoting digital learning and accessibility among students. As part of the initiative, eligible students were provided with smartphones to support their academic pursuits, especially in accessing online educational resources and e-content. Faculty members addressed the gathering, highlighting the importance of digital literacy in modern education. The event was conducted smoothly and was well-appreciated by students for bridging the digital divide and encouraging inclusive learning.</p>
