Brief Write-up in English	The lecture on "Indian Renaissance and Sri Aurobindo," delivered by Prof. Rakesh Chandra, explored the transformative period of the Indian Renaissance and the pivotal role of Sri Aurobindo in shaping modern Indian thought. Prof. Chandra discussed how Sri Aurobindo's philosophy and vision influenced the cultural, spiritual, and intellectual awakening of India during the colonial era. The session provided deep insights into Aurobindo's ideas and their relevance in today's context.
