| Brief Write-up in English | <p>A one-day workshop on “<i>Interaction with College Teachers on the National Education Policy (NEP) 2020</i>”. The workshop aimed to create awareness and promote understanding of the key features and implementation strategies of NEP 2020 among faculty members. Teachers from various departments actively participated in discussions on multidisciplinary education, skill-based learning, flexible curriculum design, and the use of technology in teaching. The session highlighted the shift from rote learning to critical thinking and experiential learning. Experts emphasized the importance of teacher training, assessment reforms, and the promotion of regional languages. Teachers shared their views, challenges, and suggestions for adapting to the new education framework. The workshop concluded with a Q&A session and collaborative brainstorming on effective NEP implementation at the institutional level. Overall, it was an informative and interactive event that encouraged educators to contribute meaningfully to the goals of <i>Viksit Bharat @2047</i>.</p> |
