Brief Write-up in English	<p>The Department of Psychology organized an insightful session on “Recent Approaches in Teaching, Training, Researches & Job Opportunities in the Field of Applied Psychology.” The program highlighted evolving pedagogical strategies, innovations in psychological training, and emerging research areas in applied psychology. Resource persons emphasized the growing demand for psychologists in clinical, organizational, forensic, and health sectors. Students were guided on career planning and skill development essential for the applied field. The session proved to be highly beneficial in broadening academic and career perspectives among participants.</p>
