

DEPARTMENT OF GEOGRAPHY

DDU GORAKHPUR UNIVERSITY, GORAKHPUR

Advertisement for Walk-in-Interview for the Post of Research Assistant and Field Investigator under the ICSSR funded research project Titled entitled “Machine Learning in Spatio -Temporal Study of Human-Driven Land Use/Cover Response to Climate Change: A Case Study of Gorakhpur District using Landsat Time Series”

A Walk-in-Interview is scheduled on **10th July 2025**, for eligible and interested candidates for the posts of Research Assistant and Field Investigator under the Indian Council of Social Science Research (ICSSR), New Delhi funded research project titled “**Machine Learning in Spatio -Temporal Study of Human-Driven Land Use/Cover Response to Climate Change: A Case Study of Gorakhpur District using Landsat Time Series**”. Candidates may send their Updated resume/CV along with scanned copy of documents in support of their. qualification to swarnima.geo@ddugu.com till **10 A.M. on 10th July 2025** and must mention in the subject "Application for Research Assistant for ICSSR Funded Research Project" or "Application for Field Investigator for ICSSR Funded Research Project", whichever applicable .

The appointment will be purely on a temporary basis for a period of 1 year subject to satisfactory performance (Extendable as per requirements). The details of the research positions, duration, minimum qualification requirement and remuneration are as follows:

S. No.	Name of the Post (No. of Post)	Duration	Qualification (As per ICSSR Guidelines)	Remuneration
1.	Research Assistant (1 Post)	1 Year	M.Phil./Ph.D./Post-graduation in Social Science discipline with 55% with NET.	Rs. 37,000/- p.m (As per ICSSR Norms)
2.	Field Investigator (1 Post)	1 Year	Post- graduation in Social Science discipline with 55% marks.	Rs. 20,000/p.m (As per ICSSR Norms)

Desirable Skills:

- Excellent in handling and analysis of Remote Sensing Data.
- Strong Academic Writing Skill in both Hindi and English Language.
- Experience of Primary data collection.
- Knowledge of GIS and Remote Sensing.

Interested candidates meeting the above-mentioned eligibility may appear before the Selection Committee. They need to bring the filled-in signed Application Form, one passport size photograph pasted on the application form along with self-attested copies of educational

certificates, work experience certificates etc. Applicants are required to bring a government approved ID proof (such as PAN Card/ Aadhar Card/ Voter ID Card/ Passport, etc.) along with its self-attested photocopy.

General Conditions:

- Above positions are purely on temporary basis under the Research Project.
- Candidates should satisfy themselves about the job responsibilities requirement before applying for these positions.
- The Project Director or Coordinator reserves the right not to fill up the advertised post or cancel the interview.
- The appointment may be terminated at any time before the expiry of the stipulated period, if the work is deemed to be unsatisfactory.
- Appointed candidates may be required to travel different parts of the country for data collection.
- All original certificates should be produced for verification at the time of interview.
- No TA/DA will be provided to the candidates appearing for the interview.
- Candidates should satisfy themselves with the eligibility conditions, remuneration norms of the post and the job responsibilities requirement.
- Canvassing in any form will attract disqualification.
- The fact that you have been called for an interview does not guarantee your selection for the appointment.
- For any query and clarification, Project Director may be contacted on email id. **swarnima.geo@ddugu.com**
- The decision of the Selection Committee on all matters about interviews and selection would be final and binding on all the candidates.
- No candidate will be permitted to appear for an interview, if reported after **12 P.M. on 10th July 2025.**

Key Responsibilities:

- Eagerness to learn and explore both field and lab-based research.
- Conducting extensive field surveys and collections.
- Performing laboratory experiments with precision.
- Submitting weekly reports and actively participating in team meetings.
