आदरणीय महोदया/महोदय,

As you are aware, Climate change is increasingly becoming a global challenge, and the world has already started to experience catastrophic results in various forms, such as increased frequencies of cyclones, floods, cloud bursts, forest fires, and extreme weather conditions.

In order to raise awareness about the severe impacts of climate change, Paryavaran Sanrakshan Gatividhi, an organization dedicated to environmental improvement, is organizing a National Students Paryavaran Competition (NSPC) from **July 1, 2025, to 21 August 2025**. The competition will take place online. All participating institutions and students will be awarded E-certificates.

A detailed programme of the competition is enclosed.

The Higher Education Institutions (HEIs) are requested to share this information about the NSPC among the students, faculty and staff and encourage their participation in the competition.
