**Robotics Era OPC
Private Limited**

**(Hereinafter referred to as "Robotics Era
Gorakhpur")**

About Robotics Era

Robotics Era OPC Private Limited is a leading EdTech company focused on delivering hands-on education in Robotics, Artificial Intelligence (AI), IoT, Embedded Systems, Drone Technology, EV Technology, and STEM education. With over a decade of experience, Robotics Era empowers educational institutions through project-based learning, technical workshops, certifications, and career development support.

Robotics Era offers specialized training and skill-building programs for students of Diploma, B.Tech, M.Tech, BBA, MBA, BCA, MCA, B.Com, and M.Com, combining academic knowledge with practical industry-oriented applications.

The company also supports institutions in setting up Robotics & A.I. Labs, IOT Labs, Drone Labs, and EV Technology and actively contributes to the organization of tech events, hackathons, and innovation showcases.

Purpose

The purpose of this MoU is to formalize a strategic partnership between Robotics Era and DDU Gorakhpur to advance practical education, technical skill development, and entrepreneurship among students. This collaboration will focus on preparing students to meet the demands of the evolving job market and align academic learning with industry expectations under the National Education Policy (NEP) 2020.

Areas of Collaboration

1. Technical Training & Certifications

- o Conduct hands-on programs in Robotics, AI, IoT, Drone Technology, EV Systems, and more.
- o These programs will be especially beneficial for students of Diploma, B.Tech, M.Tech, Electronics, and Advanced Physics, providing them with future-ready technological skills.

2. Multidisciplinary Skill Development

- o Organize certified training sessions, seminars, and workshops tailored to students of BBA, MBA, BCA, MCA, B.Com, M.Com to enhance business, digital, and analytical skills.

3. Internships & Industry Exposure

- o Facilitate internship opportunities, live projects, and industrial visits for students of all streams to ensure practical learning and career readiness.

4. Tech Events & Innovation Support

- o Provide technical assistance and co-organize tech fests, hackathons, idea competitions, innovation expos, and industry-focused conclaves.

5. Lab Infrastructure & Institutional Support

- o Assist in the planning, design, and development of Robotics Labs, IoT Labs, Drone Labs, and EV Technology Labs within the university campus.
- o Provide consultation, equipment assistance, and integration into academic curriculum.

11/8/25

6. Entrepreneurship & Start up Guidance

- o Mentor students in developing innovative business ideas and prototypes.
- o Support incubation and link students to relevant start up ecosystems and industry mentors.

7. Faculty Development & Academic Collaboration

- o Organize Faculty Development Programs (FDPs) to enhance teaching practices in technical and managerial education.
- o Support curriculum enhancement in alignment with NEP 2020 goals.

8. Research & Knowledge Sharing

- o Promote joint research projects, technical publications, and industry-academic collaboration.
- o Enable expert guest lectures, conferences, and academic exchange initiatives.

Duration:

This MoU shall be effective from the date of signing and remain valid for a period of **Five (5) years**, unless extended or terminated earlier by mutual consent.

Financial Terms:

All financial responsibilities related to specific projects, events, lab development, or services under this MoU shall be decided on a case-by-case basis through separate agreements.

Governing Law:

This MoU shall be governed by the applicable laws of India, and all legal proceedings, if any, shall fall under the jurisdiction of Gorakhpur, Uttar Pradesh.

Amendment and Termination:

Any amendments or modifications to this MoU must be made in writing and signed by both parties. Either party may terminate this MoU by giving one (1) month's written notice to the other.
