

Webometrics Ranking 2023

- Deen Dayal Upadhyay Gorakhpur University has been ranked 319 in the country's Webometrics Ranking.
- Webometrics Ranking of World Universities, also known as Ranking Web of Universities, is a ranking system for the world's universities based on a composite indicator
- It is the largest academic ranking of Higher Education Institutions done every six months as an independent, objective, free, open scientific exercise for providing reliable, multidimensional, updated, and useful information about the performance of universities from all over the world.
- It uses both webometric and bibliometric indicators.
- Assessment is done on the basis of the volume of the Web content (number of web pages and files) and the visibility and impact of these web publications according to the number of external links (site citations) they received.
- The ranking is published by the Cybermetrics Lab, a research group of the Spanish National Research Council (CSIC) located in Madrid.
