

University Vision and Action Plan for Sustainable Development Goals

8 DECENT WORK AND ECONOMIC GROWTH

Decent Work and Economic Growth – Promote sustained, inclusive, and sustainable economic growth, full and productive employment, and decent work for all

1. Relevance and Significance

Sustainable Development Goal 8 (SDG 8) promotes inclusive economic growth, decent work, and productive employment. Deen Dayal Upadhyaya Gorakhpur University (DDUGU) contributes through entrepreneurship initiatives, skills training, and research. By enhancing employability and supporting sustainable economic practices, DDUGU plays a key role in advancing economic and social progress.

2. Sustainable Practices

Deen Dayal Upadhyaya Gorakhpur University (DDUGU) promotes sustainable economic growth and employment through updated industry-aligned curricula, entrepreneurship programs, and incubation support. Vocational training, career counseling, and placement services enhance student employability. The university also fosters research and innovation to address regional and national economic challenges.

3. Policies and Guidelines

To promote sustainable economic growth and employment, DDUGU has implemented policies focused on skill development, career advancement, and industry collaboration. Internship opportunities, financial aid, and scholarships support student employability, especially for marginalized groups. The university ensures fair labor practices and fosters entrepreneurship through initiatives like the Incubation and Entrepreneurship Policy. These efforts, backed by policies such as the Anti-Bribery, Teacher Incentive, Consultancy, and Sustainable Procurement Policies, create an inclusive and growth-oriented environment.

4. Outcomes

DDUGU's initiatives under SDG 8 have led to higher employability among graduates, stronger skill development, and a growing entrepreneurial culture. Student-led startups are contributing to the economy, while research in economic development supports policy and business innovation. Industry partnerships have improved job placements and career opportunities, reflecting the university's strong commitment to decent work and sustainable economic growth.

5. Future Roadmap

To reinforce its commitment to SDG 8, DDUGU aims to expand entrepreneurship and skill development initiatives, foster stronger industry ties, and enhance digital learning and certification programs. By promoting green jobs, sustainability-driven ventures, and alumni mentorship, the university seeks to align economic growth with environmental and social goals—positioning itself as a key contributor to decent work and inclusive economic development.
